ROAD SAFETY  
PARTNERSHIP

# GLOBAL ROAD SAFETY PARTNERSHIP

## Our Vision

**A world free of road crash death and injury**

## Our Mission

**The sustainable reduction of road-crash death and injury in low- and middle-income countries**

### Who we are?

We are a globally focused road safety programme hosted within the world's largest humanitarian network, the International Federation of Red Cross and Red Crescent Societies (IFRC). This gives us global reach through 191 Red Cross/Red Crescent national societies and other partners.

We are part of an extensive international multi-sector network of partners committed to reducing road trauma which include governments, civil society and corporate communities.

**Our people are road safety professionals with extensive expertise that includes:**

**Applied Research**

**Grants Management**

**Education & Training**

**Project Design & Management**

**Advocacy**

**Communications**

**Global Reach**

**Road Policing**

### What we do?

- Advocate for evidence-based legislation focused on key risk factors (i.e. alcohol impaired driving, speed, use of seat-belts, child restraints and motorcycle helmets) and improved vehicle safety standards.
- Provide training, leadership development and capacity building for road policing agencies.
- Deliver road safety and leadership education, training and capacity building.
- Design, tailor and deliver international road safety grants programmes.
- Design, develop and implement evidence-based road safety projects.
- Provide expert review and technical advice on road safety strategy, policy and projects.
- Build partnerships between government, civil society and corporate communities.

### How we do it?

We form partnerships between the private sector, civil society and governments to apply best practice road safety policy and practice, primarily in low- and middle-income countries and can utilise our extensive network of partners to reach every corner of the globe.

We act with the humanitarian values and ethics of the IFRC as our guiding principles.

We actively contribute to the achievement of **the UN Sustainable Development Goals and Global Plan - Decade of Action for Road Safety 2021 to 2030.**
